'A Day with Parents' is an orientation programme for the parent of KG was organized on the theme "Parents are the active member of the school rather a consumer". Sri. Renganathan, NLP trainer, was our invited guest speaker. He enlightened the audience on Parenting. He spoke on the art of parenting at length and encouraged them to be a motivating parent. He struck a chord with every person in the audience with his candid nature. It was a enterprising and engaging talk.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their kids properly. It also helped in progressing a common teaching strategy and facilitated the parents in recognizing suitable follow-up procedures to strengthen the learning process of their respective kids.

To enlighten our parents on autonomy and to address any queries and concerns of parents,a discussion was held.

Same day parents of the classes I to XII interacted with the respective class teachers and discussed the performance of their wards.
