Mission LiFE is expected to be an India-led global mass movement that will nudge individual and collective action to protect and preserve the environment.

Prime Minister Narendra Modi on 20.10.2022 (Thursday) launched Mission LiFE (Lifestyle for Environment) in the presence of António Guterres, Secretary-General of the United Nations at the Statue of Unity, Ekta Nagar, Kevadia. "Mission LiFE aims at following a three-pronged strategy for changing our collective approach towards sustainability. First is by nudging individuals to practise simple yet effective environment-friendly actions in their daily lives (demand); second is by enabling industries and markets to respond swiftly to the changing demand (supply) and; third is to influence government and industrial policy to support both sustainable consumption and production (policy)," the statement read.
