

ONGC PUBLIC SCHOOL NERAVY - KARAIKAL

The recently conducted Awakening Citizen Programme (ACP) orientation programme for students of grades VI to VIII at our school. The orientation programme took place on 04.11.23 and was a significant success, thanks to the participation of our guest, Sri Ramanan, the ACP coordinator from Ramakrishna Mission.

The students, teachers, and our esteemed guest Sri.Ramanan were warmly welcomed by the principal.

Sri Ramanan conducted an interactive session with the students, encouraging them to express their thoughts on citizenship, civic responsibilities, and community involvement.

To incentivize student participation and reward their active involvement in the interaction, Sri Ramanan awarded books as prizes to the students who provided insightful answers to the questions. This not only motivated the students but also encouraged them to think critically about their roles as responsible citizens.
