

# ONGC PUBLIC SCHOOL NERAVY - KARAIKAL

To pursue their dreams and choose a career path that aligns with their interests and talents.

The career awareness programme and admit card distribution for the students of class X at our ONGC Public School were organized on 09.02.24. The aim of the event was to provide students with valuable information about various career options and to motivate them to excel in their chosen fields.

The programme commenced with a speech by Dr. Kesavan, HOD Chemistry at Tamil Nadu Fisheries University in Nagapattinam. He spoke about the career opportunities in research and the courses offered by the fisheries university. He highlighted the importance of the fisheries sector in India and enlightened the students about the various research areas and job prospects in this field. His speech was informative and inspiring, encouraging the students to consider a career in fisheries.

Following Dr. Kesavan's speech, Mr. Anmol, Assistant Commandant Indian Coast Guard Karaikal, addressed the students. He provided insights into the career opportunities available in defense and the coast guard. Mr. Anmol elaborated on the roles and responsibilities of the coast guard and shared his personal experiences. His speech motivated the students to consider a career in the defense sector, emphasizing the sense of duty and the opportunity to serve the nation.

Our correspondent and principal also addressed the students and emphasized the importance of following one's passion while choosing a career. They motivated the students to explore their interests and work hard towards their goals. They highlighted the importance of self-belief, dedication, and perseverance in achieving success.

After the speeches, the admit cards for the class X board examinations were distributed to the students. The principal congratulated the students for reaching this milestone and urged them to put in their best efforts during the examinations. He advised them to manage their time effectively and seek help from their teachers whenever required.

Overall, the career awareness programme and admit card distribution was a significant event for the students of class X at our ONGC Public School. The speeches by Dr. Kesavan and Mr. Anmol provided valuable insights into career options in fisheries and defense. The event motivated the students to explore various career paths and pursue their dreams with determination.
