

ONGC PUBLIC SCHOOL NERAVY - KARAikal

A commendable initiative, ONGC public school organized a free eye camp in association with Sankara Nethralaya, Chennai, aimed at promoting the visual health of our students from Kindergarten to XII standard.

This three-day event, held from October 11, 2023, to October 13, 2023, brought together experts from Sankara Nethralaya and the entire student body, facilitating early detection and intervention for various eye-related issues. The free eye camp was meticulously planned and executed with the help of Sri.Raman, Daasya Trust and Sankara Nethralaya, a renowned eye care institution.

The camp was inaugurated on October 11, 2023, with a warm welcome and opening address by Sri. Josephraj, General Manager of Human Resources. His presence and encouraging words inspired the students and medical professionals to carry out their tasks with diligence and dedication.

A team of ophthalmologists and optometrists from Sankara Nethralaya conducted comprehensive eye examinations for each student. These examinations included visual acuity tests, retinoscopy, and assessments for eye conditions such as myopia, hypermetropia, and astigmatism. Out of 1855 students examined, 145 were found to have various eye issues that required corrective measures.

These ranged from minor refractive errors. In a philanthropic gesture, Sankara Nethralaya provided free Spectacles. This ensures that they can comfortably and effectively pursue their studies without any hindrance.

The success of the free eye camp would not have been possible without the invaluable support and participation of numerous individuals, including the National Service Scheme (NSS) volunteers from our school.

A team of dedicated NSS volunteers from our school played a vital role in ensuring the smooth conduct of the camp. They assisted in the registration process, guided students through the various stages of the examination, and provided essential logistical support.

The valedictory function, held on October 13, 2023, was a moment of pride and recognition for the volunteers and the team of doctors from Sankara Nethralaya. Sri. Rajan, General Manager of Electricals, graced the occasion and appreciated the tireless efforts of the volunteers and the medical team in making the camp a resounding success.

A team of experienced ophthalmologists and doctors from Sankara Nethralaya was at the heart of the eye camp. They conducted comprehensive eye examinations, diagnosed various eye conditions, and prescribed the necessary corrective measures. Their dedication and expertise ensured that students received the best possible care.

The free eye camp conducted by the school in collaboration with Sankara Nethralaya, Chennai, is an exemplary demonstration of our commitment to the holistic well-being of our students. We remain dedicated to providing the best possible support to our students, both in terms of their education and their overall health. This event not only had a positive impact on the lives of our students but also reinforced the importance of community service and outreach.
