

ONGC PUBLIC SCHOOL NERAVY - KARAIKAL

Teacher's Enrichment Programme

Date: 26.08.2023

Venue: Agasthya Hall

Introduction: ONGC Public School organized a Teachers' Enrichment Programme with the aim of providing educators with insightful perspectives to enhance their teaching methods and personal growth. The esteemed speaker for the event was Sri Ramakrishna Prasad, a distinguished orator, writer, and social activist.

Key Highlights of the Programme:

Speaker's Profile: Sri Ramakrishna Prasad's rich background as an orator, writer, and social activist lent a deep level of understanding and wisdom to the event. His expertise promised to provide the teachers with valuable insights and perspectives.

Exploring Intrinsic Meaning: The programme began with Sri Ramakrishna Prasad delving into the profound meaning of the renowned Kaviraj Kannadasan's song, "Manitha yenbavan deivam agalam" (translated as "One who regards humanity as divine"). He philosophically dissected the lyrics, encouraging the teachers to reflect on the deep-seated meaning and implications of the song.

Philosophical Interpretation: The speaker elaborated on the concept that viewing humanity with reverence elevates individuals beyond their limitations. He emphasized how teachers have the power to shape the minds and hearts of young students and, by extension, contribute positively to society. This philosophical interpretation served as a thought-provoking foundation for the rest of the discussion.

Illustrations and Living Examples: Sri Ramakrishna Prasad's talk was enriched with vivid illustrations and real-life examples. He brought to life the essence of the song by narrating stories of individuals who embodied the spirit of considering humanity as divine. These examples ranged from historical figures to everyday heroes, showcasing how this philosophy can manifest in different walks of life.

Impact and Reflection:

The Teachers' Enrichment Programme left a profound impact on the participating educators. Sri Ramakrishna Prasad's ability to intertwine philosophy with practicality resonated deeply with the teachers, inspiring them to consider their roles beyond academics and to foster a nurturing and respectful environment for their students.

Conclusion:

The Teachers' Enrichment Programme provided a unique and philosophical perspective on the role of educators in shaping not only academic knowledge but also ethical values and societal contributions. Sri Ramakrishna Prasad's insights into the intrinsic meaning of Kaviraj Kannadasan's song "Manitha yenbavan deivam agalam" served as a reminder of the transformative power of education and the noble responsibility that teachers bear.
