

# ONGC PUBLIC SCHOOL NERAVY - KARAIKAL

A free dental camp was organized at **ONGC Public School., Karaikal** for the benefit of students on 22<sup>nd</sup> April 2025 (Tuesday) in collaboration with **Vinayaga Mission Medical College & Hospitals, Karaikal.**

A team of five special Dental Surgeons from Vinayaka Mission carried out a comprehensive check up to students of classes VI to XII. Just before, the start of the camp the students were given a short lecture with the video aids.

They emphasized on healthy eating habits, the harmful effects of consuming junk foods etc.,

They advised the students about the future course of action that they would have to follow in their day to day life. The checkup aimed to assess oral health, identify dental problems and provided sufficient guidance. Around 520 students participated and the problems were diagnosed among 280 students.
